ANNOUNCEMENT

Welcome Message

Dear partners,

We are thrilled to introduce you to an incredible opportunity to collaborate with us for the upcoming **The International Conference on Recent Advances in Neurotraumatology (ICRAN 2025)**. This event will be held on **August 13th – 16th, 2025, at ASEEC Tower, Surabaya, East Java Indonesia**.

This meeting provides a platform for medical professionals from all over the world to connect and share knowledge on the latest advancements in neurosurgery. By sponsoring this event, your organization will have the opportunity to showcase your commitment to supporting the healthcare industry while gaining visibility among a highly qualified audience of neurosurgeons, physicians.

As the host society for this event, the The International Conference on Recent Advances in Neurotraumatology (ICRAN 2025). are dedicated to delivering a high-quality conference with an outstanding program of educational sessions, networking opportunities, and exhibitions.

By collaborating with us as a sponsor, your organization will receive significant exposure and recognition before, during, and after the conference. Your logo will be prominently displayed on conference materials, including the conference website, posters, and other printed materials. You will also have the opportunity to showcase your products and services in the exhibition hall and connect with potential clients during networking events.

We would be delighted to discuss this opportunity in greater detail with you and provide you with a customized sponsorship package that meets your organization's specific needs. Please feel free to contact us with any questions or to schedule a meeting to discuss this opportunity further.

Thank you for your consideration, and we look forward to hearing from you soon.

Sincerely,

Dr. dr. Eko Prasetyo, Sp.BS(K)
Chairman of ICRAN 2025

Guideline for Abstracts

General Information

- Abstracts must be submitted and presented in English
- You should only submit work if you, or a designee, are committed to registering for and attending the Congress to give your Oral or E-Poster presentation
- Registration is not mandatory in the submission process; however, all Presenting Authors must register for the Congress deadline by **June 27th, 2025**, otherwise, the abstract will not be included in the final Congress program
- There is no limit to the number of abstracts you may submit, however, the Abstract Selection Committee aims to achieve a wide geographic spread of presenters
- There are 2 presentation types: Oral and E-Poster. You may indicate your preference, but the Abstract Selection Committee will make the final format determination
- Abstracts cannot contain advertising, trade names, or product group messages. Please use generic names or terms in your abstract content

Information Required to Complete a Submission

Submitting Author: The author that submits the abstract, to whom all correspondence will be addressed and sent. The Submitting Author is assumed to be the Presenting Author unless otherwise indicated

- Title (maximum 20 words)
- Keywords (maximum 4)
- Abstract body (maximum 300 words, including the following sections)
- Objectives: At least 2 clear and measurable objectives
- Background: A brief statement on why the study was conducted
- Methods: The methods of study or experimental approach must be briefly defined
- Results: A summary of the study results, including sufficient detail to support the conclusions
- Conclusions: A statement explaining the significance of the study and its implications for further research
- Authors (maximum 11): Include full names with institution and country
- Preferred Presentation Type: You may indicate your preferred presentation type– Oral or E-Poster – but the Abstract Selection Committee will make the final format determination
- Disclose conflict of interest and accept terms and conditions

Editing

Abstracts may be edited until the submission deadline. After that, no changes in content or co-authors may be made. Once the review process begins, no changes to submissions are allowed – no exceptions. Please note that any typographical or spelling errors, improperly formatted titles, etc., WILL NOT be edited by anyone at the Organizing Committee. It is the responsibility of the Submitting Author to review and verify all work submitted

Submission Deadline

Deadline for abstract submission is **June 13th, 2025** at 12PM local time.

Withdraw Abstract(s)

In case you want to withdraw your abstract after submission, please send an email before **1st, July 2025** to icran2025@pharma-pro.com
